

# WHAT'S YOUR PLAN?

People are living longer than any other time in history. You may need care in your old age – whether in a nursing facility or at home. That can cost up to \$66,796 a year or \$183 daily benefit\*, and these costs are likely to increase. You may not have the funds you need, or your life savings could be wiped out in a few short years.

Knights of Columbus Long-Term Care Insurance will help protect your assets and those of your family.
